Altre volte mandò la Serenità vostra in simil occasione di Giustitia a rimuover così hora speramo, che à noi intervenienti per li Communi, et ville della Giurisdittion della Reverenda Abbatia di Sesto, fedelissimi sudditi di V. Con piacere ho veduto i due Sovrani Decreti 27. 7bre 1790. e 6. Giugno 1792. che graziosamente in ora Ella mi fa in copia spediti. Parmi di rimarcare dal primo senza neppure istanza, che l'Abbazia di Sesto godere in 2.a istanza nella Giurisdizione di Cadori di conformarsi precisamente al Decreto 16. Dec.e 1784. che la leva in tutte le Giurisdizioni, che ricadono, e determina l'incanto per la sola Giurisdizione in I. istanza, salva l'appellazione al Luog.te che l'avrebbe in conseguenza in vece di 3.a istanza. So poi di certo, che vidi [illegible] Corrinaldi [illegible] ne conosciuto in 2.a istanza come un Capitanio per la prima. Fui dunque un [illegible] al Regimento per [illegible] in inazione in supposto che col detto Decreto si facesse rimanere nel Reggimento di Portogruaro la 2.a istanza senza lesione al Luog.te di una terza. Se l'attuale si metterà a riscontrarlo sono certo, che non si lascierà [illegible] pregiudizio contro il già fissato col primo Decreto.

Che li Cittadini di Portogruaro per avere la Giurisdizione della sua Terra in loro Dedizione 29. Maggio 1420. ottennero di ottenere, che quattro di essi eletti dal suo Consiglio assistessero nella Giudicatura al Podestà era ben giusto, e dovuto al naturale loro diritto, non che li istessi [illegible] dia servire anco per le 22. Ville che si [illegible] sono di Giudicatura di Sesto, dove la Comunità non

ebbe mai relazione non può esserlo mai per ragio-
ne mà per unico riflesso di favore, che vo-
glia farsi alla medesima, a cui io portato
sempre per tutti i Corpi Pubblici non consiglierei
nulla opportuno a contrastarli, quando non
fosse il pregiudizio a tanti altri rapporti, e
del Parlamento e di membri del medesimo.
A dirla tra noi non è fatto [illegible] tra delle
viste non poche di scienze, e di divisioni
che col tratto del tempo potrebbero inoltrarsi,
di Ella sà le antiche pare per fare un Parla-
mento di quà, e l'altro di là. In somma
non è cosa leggiera da lasciarsi correre e
gettarsi in un angolo, mà merita pensiero
di quanto per ripararsi, e più che si rifletta
si troverà di gravità nella cosa, e di peso
nella materia. Quello che mi spiace è
che in questa non si può far parte con
tutti li Parlamentarii, nè pochi, e nemmeno di
quelli di là, ed è questa la volta della
mutazione dei loro Deputati, nella quale
sarebbe desiderabile cautela, ed essendo vi-
cina si vorrebbe sollecita la providenza.

L'attuale Cancell. Pretorio mi pare uomo
di talento, e per quel poco che ho potuto
scandagliarlo che amico. Non sarebbe male
a suo tempo con lui facendoli noti questi sensi
e però anco inviarlo a mio nome. Il Nunzio
vederebbe in Venezia ai Studi mà è di là, e questo
mi [illegible], e devo [illegible]

Ella sà quanto costì si motivò dalli Preg.i Sig.i Dep.ti Colleghe, e da me al Sig.r Sindico Generale circa la strada di Buja, ed egli dispose che nella passata Domenica si radunasse la Vicinia per fare la scelta di una delle due strade proposte in quel luogo, non potendo conformarsi più di una. Udii che fui colà, riseppi tal Vicinia non esser fatta, nè volendo più sospendersi la faciendo, e l'appalto di tal strada, andai a chiamare il Cimarro del Comune significandoli a far nota tale premura al Vicino e che la facesse, e obligasse determinarsi all'una o all'altra, e se non si volesse per luogo più decente e Piazza S. Stefano, che comunalità come si attiene quel più piaciere da tale Vicinia. Portai dopo col Generale, e trovai nelle fazioni chi per una e chi per l'altra strada, e che in ultimo si contribuiro due S. Stefano, e Villa con spesa assai grave. Dirò quanto potrò per le Generale e segno l'esempio agli altri Comuni facendo due strade. Si voleva che la Deputazione facesse incantare una sola strada quale loro piacesse, ma io non so in un fine perche a alcuni di essi agli Ecc.mi Commissarij piacerebbe per la lor casa quella di S. Il Decreto, che jeri fece al Nob.e Sig. Co. Urbano
Frova inclinato, ed a me è di somma riflessio-
ne, e desidero per ben maturarne le conseguen-
ze una copia sollecita. Veramente importa
più ad abbadarsi dai tre Membri di quà, che
da quelli di là, ai quali sembrar può favo-
revole il dislocamento principiato delle appellazio-

che va incontrandosi di essi ad altro Reggimento,
che tiene sommo riguardo per li negozj del
Parlamento. Parerebbe anco favorevole alle Comu-

creto li Nobb. di Portogruaro, ma non mi la-
scierei allucinare da questa lusinghiera appa-
renza con detrimento dell'intiero Pubblico

Ill.mo et Rev.mo Sig.r [illegible] Sig.r [illegible]

Dovendo V. S. Ecc.ma risponder a [illegible] con [illegible] sopra [illegible] esentione [illegible] della sud.a Comunità di San Vido della quale mentre che io [illegible] Sig.ri Deputati [illegible] esecutione [illegible] fatto della [illegible] parte de Beni comunali della Villa de Casarsa quasi tutto il terreno dentro i confini della Giurisd.ne [illegible] et come in quella [illegible]

Per tanto [illegible] dico a V. S. Ecc.ma che non [illegible] di San Vido [illegible] dove io [illegible] fatta [illegible] havendo [illegible] in tutti i numeri a [illegible] viene espresso dal Mag.co Ecc.mo [illegible] sopra i Beni comunali nella vendita da esso Ecc.mo fatta de campi [illegible] de Beni comunali del [illegible] della Compagna detta la [illegible] descritta nelli catastici di quell'Ecc.mo [illegible] et [illegible] in [illegible] l'Anno 1604 [illegible] del mese di [illegible] al Comun di Casarsa [illegible] insieme con il Comun di San [illegible], et come nel [illegible] destinata [illegible] altri [illegible] il Tagliamento [illegible] la Campagna [illegible] de Comun, et [illegible] la Compagna de Valvason, onde chiamando nel [illegible] con [illegible] campagna de San Vido [illegible] non [illegible] Giurisd.ne de San Vido [illegible] di [illegible], et in conseguenza [illegible] Patrimonio [illegible] come [illegible] Se [illegible] di Sesto [illegible] sua antichissima fondatione [illegible] del 415 in [illegible] dei Re Longobardi con [illegible] di giurisd.ne [illegible] dal Tagliamento sino alla [illegible] notabili et [illegible] singolari et [illegible]

doppo per privilegi di Carlo Magno Imperatore, di cinto et [illegible], acquisione
[illegible] de Longobardi, che diede [illegible] fine al Regno loro in Italia doppo
il corso di 200 et più anni, che l'haueuano occupata di [illegible] suo
[illegible] Lodovico, di Berincario, d'Ottone, ed'altri, et doppo di Sommi
Pontefici Latio Gregorio nono, et finalmente di questo Sedo. Stato al
tempo del [illegible] acquisto di questa Patria come per [illegible] appare
l'Anno 1421 [illegible] sotto il [illegible] [illegible] all'Eccma Sigria
et così è stata sempre [illegible] con [illegible] e una di Sua Serenità
Questa unita un tempo di moltissimi anni col Patriarcato nell'Illma casa
Grimani, et amministrata per [illegible] da Gouernatori Capitanij et Caualieri
di San Vido, ha patito anco quelli pregiuditij d'usurpationi diuenture,
et [illegible] particolari [illegible] delle ragioni sue che hanno state
sottratti di non poca importanza, tuttauia si è pur anco [illegible] tanto
di Lume che spera sia per [illegible] o lauaria dalle [illegible], nelle quali
si è creduto la [illegible] Comunità di San Vido d'hauerla [illegible], e [illegible]
ad'essi di San Vido che non hanno alcuna ragione, anzi tanto euidente
di molestarla nel modo che altrimente è stato fatto mediante la suppca
da Loro presentata a Sua Serenità [illegible] presentata a [illegible] contra
ii medesimi di San Vido [illegible] confessioni, per li Loro Autori fatte
in fauore dell'Abbatia fin l'anno 1433 · 28 Aprile per le quali [illegible]
affermano [illegible] con la ragion della Decima in le Ville di [illegible]

alcuna di [illegible] onde sotto i [illegible] dell'Herbara ne viene in conseguenza anco la giurisd.ne, perciochè l'autorità di dar una l'Herbara è atto di superiorità et giurisdizionale [illegible] da altri non può esser essercitato che dal Padrone della giurisd.ne

Si presentano i [illegible] Privilegi a V.ra Ecc.za con un altro fondam.to essenzialiss.mo contro San Vido, percioche come da quello di [illegible] 1182 li 13 sett.e si vede San Vido ancora [illegible] sotto all'Abbatia di Sesto, onde come membro [illegible] non può ne deve contra il capo et resto del corpo pretender più di quello è verissimile esservi stato concesso, che è l'uso di communare con i sudditi dell'Abbatia, ma non l'atto giurisdizionale però [illegible] per li atti seguiti [illegible] esser stato dall'Abbatia [illegible] Onde chi vol dir in contrario è tenuto legittimam.te provarlo et mostrar concessione espressa, altrimenti la giurisd.ne sta per l'Abbatia

[illegible] per corroboratione di quanto di sopra si rimarcato espresso, il solidissimo fondam.to considero à V.ra [illegible] come sino l'anno 1527 li 30 [illegible] fù fatta la confinat.ne et restitutione de confini per l'avanti mutati, et de fatto [illegible] dagli [illegible] di San Vido presento Documento publico nel quale vedrà che il modo della Patente dove [illegible] l'esecuzione delli campi [illegible] viene da loro istessi chiamato [illegible], onde ne segue chiara conseguenza

che viene detto dagli istessi Sri rappresentanti la sudetta Comunità di
San Vido fatta tal Confessione, et asserito di propria volontà, che
il detto Loco Pasculo sia nelle pertinenze di [illegible]. Cioè sotto
detto Patrimonio del Prencipe, [illegible] malamente si può dire
[illegible], che il detto Loco Pasculo sia di sua [illegible] Privatole, et
[illegible] escorporato detta a punto nel detto Pasculo che è nel corpo
della Peculiare Comugna detta Spetta Gran Coda, non può gratiosamente
dagli Avversarij esser impugnata

Aggiungo che l'Anno 1509 li 22 marzo essendo seguita certa pegnora
per parte del Comun di [illegible] fatta sopra detta Comugna contra Mosè
Hebreo che [illegible] de [illegible] da detti di San Vido, si era redotto
a [illegible] con suoi animali in essa et [illegible] quelli di San Vido
preso il giuditio per detto Hebreo per occasione di tal pegnora
fu all'hora in contraditorio giuditio laudata la pegnora dall'Ill.mo Sr
Gio. Paulo Gradenigo all'hora Luog.te et revocata in contraditorio di
quelli di San Vido, et come in detta sententia che si presenta

Si presenta ancora altra sententia publicata di 6 et 13 maggio 1527 nella quale
si vede, che quelli di San Vido armata mano in duicento di loro conducendo Arteglieria si fecero lecito di levar li confini di detta Comugna
detta Spetta Gran Coda asportandoli in defraudo delle ragioni di quella
Comugna, che per per sententia dell'[illegible] Quarantia del di sudetto
furono condanati a riporli a suoi proprij luochi, quali [illegible] da novo
sono stati [illegible], et posti ove a punto a loro per suo avantaggio è [illegible]
delle [illegible]

Si presenta mandato contro q(ue)lli di San Vido che non potessino bollar nelli sud(ett)i Comp(agni)

Et più si presenta sentenza à favor de Casarsa contro Blauttò dove viene espresso li confini di detta Villa de Casarsa estendersi sino al Tagliamento col suo Comunale della Comugna detta Spessa e gran coda

Di più si presenta un processo formato contra quelli di San Zuane per occasione delli sopradetti confini et Vado di Sambuco con sentenza di Quaranta a favor de Casarsa comincia à c. 139 et finisse à c. 173 nelle quali Quarantie si vede dove sij il vado sudetto di Sambuco, et che il dissegno da quelli di San Zuane sopra è notificato è sopra il loro dissegno dichiarato falso nelle allegate come quale nelle mani di q(ue)lli di S. Zuane 5

Si presenta una Termination sive accordo tra il Vescovo de Concordia con l'Abbate de Sesto per occasione di pascolo del Comun di S. Zuane con il Comun di Casarsa fatta l'anno 1298 ult(imo) Nov(embre) dove si vede che sino all'hora Casarsa godeva e pascolava il Comunale sino al Tagliamento

Et più si presenta scrittura et sentenza 1520 li 13 April(e) di revocation di pegnora fatta da q(ue)lli di S. Vido sopra la Comugna detta Gran coda e Spessa 6

Si presenta un Processo nel qual si vede, che Casarsa sij partecipe a bandir et desbandir la Comugna et che impegnando potta essequir et portar le pegnore a vender in Casarsa

Si potrebbono altre infinite ragioni, portare a V(ostr)a Ecc(ellen)za, per documenti di publiche scritture le quali per esser materia di gravità et aspettanti alla Ser(enissi)ma Signoria si tralassiano, che saranno da essa portati mentre si passarà al merito della causa citatis citandis et servatis servandis

Non devo però restar di dire a V(ostr)a Ecc(ellen)za delle comenze et usurpatione

del Patrimonio di Sua Ser.tà fatta con vendita di quelli di San Vido de quantità de campi di terra venduti da essi al sig.r [illegible] Lodovico di San Vido del corpo della Comugna detta [illegible], detta il gran coda contenuta nel privilegio concesso da Sua Ser.tà al Comun de Casarsa de campi 1010 q.ti 2 t.le 43 giusto alla [illegible] fatta p. ms. Dall'allegato privilegio concesso da Sua Ser.tà al Comun et [illegible] di Casarsa della Comugna detta il gran coda si fatto i [illegible] della settima parte, di campi [illegible] come nel [illegible] del mio acquisto ottenuto l'anno 1648 dalli [illegible] sopra beni Comunali nel quale doverà esser conservato dalla publica munificenza non ostante li [illegible] pervate, [illegible] quelli di San Vido, che col corso di anni 48 non hanno [illegible] mai oposti alla [illegible] d'esso privilegio, [illegible] di non haver alcuna ragione in detta Comugna. Onde resto sicuro, che con queste riverenti [illegible] et giustissime ragioni V.S. Ill.ma ne farà nel suo retratto quei riflessi che sono proprij della sua incomparabile virtù et giustitia per la conservatione delle validissime ragioni patrimoniali di Sua Ser.tà trattandosi non solo di perdita di campi 70, ma di tutto il corpo del Comunale che sono campi 1010 che è quanto per [illegible] posso portar all'[illegible] di V.S.
